Hi Rick – Here is the Region 8 FIP for the U&O Reservation. I wanted to update you on the review through OAQPS. The package (FIP, OMB transmittal memo, draft action memo and draft fact sheet) are with Mike Koerber. He is in the process of reviewing it now.

I spoke to Dee today and it was unclear if you had seen a more recent version – Mike Boydston, who you have been working with, is out of the office. So here is a copy of what Mike K. has for your FYI *and/or* review. Once Mike completes his review, our plan is to forward the package to the OAR front office for Janet's review and submission to OMB.

If you have any questions, please let me or Dee know. Thx rc
